

Export_ActivitiesAggregated

Export_ActivitiesAggregated: provides a summarised, aggregated view of a student's enrichment and employer engagement activities, useful for reporting on overall activity levels.

Column Name	Data Type	Length	Required	Notes
NavigateUserID	uniqueidentifier		NO	Unique identifier for the student user in Navigate.
StudentNumber	varchar	225	NO	Unique student identifier (from tblUsers).
StudentActive	bit		NO	Indicates if the student is currently active (1 = Active, 0 = Inactive).
TotalNumberOfActivities	int		NO	Total number of all activities (Enrichment + Employer Engagement) logged for the student.
TotalNumberOfHours	decimal	(10,2)	NO	Total hours spent on all activities logged for the student.
EnrichmentActivities	int		NO	Total number of Enrichment activities logged.
EnrichmentHours	decimal	(10,2)	NO	Total hours spent on Enrichment activities.
EmployerEngagementActivities	int		NO	Total number of Employer Engagement activities logged.
EmployerEngagementHours	decimal	(10,2)	NO	Total hours spent on Employer Engagement activities.
CurrentYear_TotalNumberOfActivities	int		NO	Total number of activities logged in the current academic year.
CurrentYear_TotalNumberOfHours	decimal	(10,2)	NO	Total hours spent on activities in the current academic year.
CurrentYear_EnrichmentActivities	int		NO	Total number of Enrichment activities logged in the current academic year.
CurrentYear_EnrichmentHours	decimal	(10,2)	NO	Total hours spent on Enrichment activities in the current academic year.
CurrentYear_EnrichmentHoursTarget	decimal	(10,2)	NO	The target number of Enrichment hours for the current academic year.

CurrentYear_EmployerEngagementActivities	int		NO	Total number of Employer Engagement activities logged in the current academic year.
CurrentYear_EmployerEngagementHours	decimal	(10,2)	NO	Total hours spent on Employer Engagement activities in the current academic year.
CurrentYear_EmployerEngagementHoursTarget	decimal	(10,2)	NO	The target number of Employer Engagement hours for the current academic year.
StudentAttribute1	varchar	225	NO	Student's Custom Attribute 1.
StudentAttribute2	varchar	225	NO	Student's Custom Attribute 2.
StudentAttribute3	varchar	225	NO	Student's Custom Attribute 3.
StudentAttribute4	varchar	225	NO	Student's Custom Attribute 4.
StudentAttribute5	varchar	225	NO	Student's Custom Attribute 5.
StudentAttribute6	varchar	225	NO	Student's Custom Attribute 6.

Export_ActivitiesDetailed

Export_ActivitiesDetailed: provides a record-by-record export of all student activities logged in Navigate, including detailed feedback and Compass/Gatsby benchmark results.

Column Name	Data Type	Length	Required	Notes
NavigateUserID	uniqueidentifier		NO	Unique identifier for the student user in Navigate.
StudentNumber	varchar	225	NO	Unique student identifier (from tblUsers).
StudentActive	bit		NO	Indicates if the student is currently active.
TutorFirstName	varchar	225	NO	First name of the student's Primary Tutor.
TutorLastName	varchar	225	NO	Last name of the student's Primary Tutor.
EmployerOrNonEmployer	varchar	50	NO	Categorises the activity (e.g., 'Employer' or 'Non-Employer').
ActivityType	varchar	150	NO	The high-level type of activity.
ActivityTitle	varchar	255	NO	The name/title of the activity.
StudentFoundUseful	varchar	MAX	NO	Student's feedback on how useful the activity was.
ActivityDateTime	datetime		NO	The date and time the activity took place.
Location	varchar	100	NO	The location where the activity took place.
HoursAttended	decimal	(10,2)	NO	The number of hours the student attended.
SkillsDeveloped	varchar	MAX	NO	Notes on the skills the student developed.
StudentAttribute1	varchar	225	NO	Student's Custom Attribute 1.
StudentAttribute2	varchar	225	NO	Student's Custom Attribute 2.
StudentAttribute3	varchar	225	NO	Student's Custom Attribute 3.
StudentAttribute4	varchar	225	NO	Student's Custom Attribute 4.
StudentAttribute5	varchar	225	NO	Student's Custom Attribute 5.
StudentAttribute6	varchar	225	NO	Student's Custom Attribute 6.
ActivityID	uniqueidentifier		NO	Unique identifier for the activity record.

DateAdded	datetime		NO	Date the activity record was added to the system.
Compass Question 1.1	int		NO	Response to Compass/Gatsby Question 1.1.
...	...	...	...	...
Compass Question 8.2	int		NO	Response to Compass/Gatsby Question 8.2.
Benchmark 1	bit		NO	Gatsby Benchmark 1 status (0/1).
...	...	...	...	...
Benchmark 8	bit		NO	Gatsby Benchmark 8 status (0/1).

Export_AssessmentResults

Export_AssessmentResults: details the results of specific skills assessments completed by a student, providing scores for various competencies.

Column Name	Data Type	Length	Required	Notes
NavigateUserID	uniqueidentifier		NO	Unique identifier for the student user in Navigate.
StudentNumber	varchar	225	NO	Unique student identifier (from tblUsers).
StudentActive	bit		NO	Indicates if the student is currently active.
DateOfAssessment	date		NO	The date the assessment was completed.
Leadership	int		NO	Score achieved for the Leadership competency.
Enterprising	int		NO	Score achieved for the Enterprising competency.
Creativity	int		NO	Score achieved for the Creativity competency.
Confidence	int		NO	Score achieved for the Confidence competency.
Communication	int		NO	Score achieved for the Communication competency.
Collaboration	int		NO	Score achieved for the Collaboration competency.
Time Management	int		NO	Score achieved for the Time Management competency.
Staying Positive	int		NO	Score achieved for the Staying Positive competency.
Building Relationships	int		NO	Score achieved for the Building Relationships competency.
Teamwork	int		NO	Score achieved for the Teamwork competency.
Speaking & Listening	int		NO	Score achieved for the Speaking & Listening competency.
Being Independent	int		NO	Score achieved for the Being Independent competency.

Problem Solving	int		NO	Score achieved for the Problem Solving competency.
Careers Skills	int		NO	Score achieved for the Careers Skills competency.
Financial Skills	int		NO	Score achieved for the Financial Skills competency.
Digital Skills	int		NO	Score achieved for the Digital Skills competency.
Critical Thinking	int		NO	Score achieved for the Critical Thinking competency.
Aiming High	int		NO	Score achieved for the Aiming High competency.
Physical Health	int		NO	Score achieved for the Physical Health competency.
Customer Service	int		NO	Score achieved for the Customer Service competency.
Community and Social Action	int		NO	Score achieved for the Community and Social Action competency.
Resilience	int		NO	Score achieved for the Resilience competency.
Online Relationships	int		NO	Score achieved for the Online Relationships competency.
Managing Stress	int		NO	Score achieved for the Managing Stress competency.
StudentAttribute1	varchar	225	NO	Student's Custom Attribute 1.
...	...	...	...	...
StudentAttribute6	varchar	225	NO	Student's Custom Attribute 6.
UserAssessmentID	uniqueidentifier		NO	Unique identifier for the completed assessment record.

Export_AssessmentsAggregated

Export_AssessmentsAggregated: provides a summary of a student's assessment activity, including the number of completed assessments and the date of the most recent one.

Column Name	Data Type	Length	Required	Notes
NavigateUserID	uniqueidentifier		NO	Unique identifier for the student user in Navigate.
StudentNumber	varchar	225	NO	Unique student identifier (from tblUsers).
StudentActive	bit		NO	Indicates if the student is currently active.
NumberOfCompletedAssessments	int		NO	Total number of assessments completed by the student.
DateOfLastCompletedAssessment	date		NO	The date the most recent assessment was completed.
StudentAttribute1	varchar	225	NO	Student's Custom Attribute 1.
...	...	...	...	...
StudentAttribute6	varchar	225	NO	Student's Custom Attribute 6.

Export_Employers

Export_Employers: provides a detailed list of all employers, including their contact information and compliance status.

Column Name	Data Type	Length	Required	Notes
EmployerID	uniqueidentifier		NO	Unique identifier for the employer.
EmployerName	varchar	255	NO	Name of the employer.
AddressLine1	varchar	255	NO	Employer's address line 1.
AddressLine2	varchar	255	NO	Employer's address line 2.
AddressLine3	varchar	255	NO	Employer's address line 3.
Town	varchar	100	NO	Employer's town or city.
County	varchar	100	NO	Employer's county.
Postcode	varchar	20	NO	Employer's postcode.
EmployerType	varchar	150	NO	Categorisation of the employer.
EmployerStatus	varchar	50	NO	Current status of the employer record.
EmployerInternalID	varchar	50	NO	The employer's internal reference code.
NumberOfContacts	int		NO	Total number of contacts associated with the employer.
NumberOfPlacements	int		NO	Total number of work placements conducted with this employer.
NextPlacement	date		NO	Date of the next scheduled placement with this employer.
ComplianceStatus	varchar	50	NO	Overall compliance status (e.g., Compliant, Non-Compliant).
ComplianceExpiryDate	date		NO	Date the compliance check expires.
ComplianceApprovalDate	date		NO	Date the compliance was approved.
HealthAndSafetyExpiryDate	date		NO	Date the Health & Safety check expires.

HealthAndSafetyApprovalDate	date		NO	Date the Health & Safety check was approved.
DateAdded	datetime		NO	Date the employer record was added.

Export_GatsbyBenchmarks

Export_GatsbyBenchmarks: exports the student's current attainment levels against the Gatsby Benchmarks, derived from their responses to the Compass questions.

Column Name	Data Type	Length	Required	Notes
NavigateUserID	uniqueidentifier		NO	Unique identifier for the student user in Navigate.
StudentNumber	varchar	225	NO	Unique student identifier (from tblUsers).
StudentActive	bit		NO	Indicates if the student is currently active.
TutorFirstName	varchar	225	NO	First name of the student's Primary Tutor.
TutorLastName	varchar	225	NO	Last name of the student's Primary Tutor.
Compass Question 1.1	int		NO	Response to Compass/Gatsby Question 1.1.
...	...	...	...	...
Compass Question 8.2	int		NO	Response to Compass/Gatsby Question 8.2.
Benchmark 1	bit		NO	Gatsby Benchmark 1 status (1 = Met, 0 = Not Met).
...	...	...	...	...
Benchmark 8	bit		NO	Gatsby Benchmark 8 status (1 = Met, 0 = Not Met).

Export_StaffUsers

Export_StaffUsers: provides a list of all staff users registered in the Navigate system.

Column Name	Data Type	Length	Required	Notes
NavigateUserID	uniqueidentifier		NO	Unique identifier for the staff user in Navigate.
Forename	varchar	225	NO	Staff member's first name.
Surname	varchar	225	NO	Staff member's last name.
EmailAddress	varchar	225	NO	Staff member's email address.
JobTitle	varchar	100	NO	Staff member's job title.
DateLastLoggedIn	datetime		NO	The date and time the staff user last accessed the system.
Active	bit		NO	Indicates if the staff account is currently active (1 = Active, 0 = Inactive).

Export_TargetsAggregated

Export_TargetsAggregated: presents a summarised view of a student's academic and personal targets, detailing overall progress.

Column Name	Data Type	Length	Required	Notes
NavigateUserID	uniqueidentifier		NO	Unique identifier for the student user in Navigate.
StudentNumber	varchar	225	NO	Unique student identifier (from tblUsers).
StudentActive	bit		NO	Indicates if the student is currently active.
TotalNumberOfTargets	int		NO	Total number of targets set for the student.
TargetsCompleted	int		NO	Number of targets successfully completed.
TargetsOutstanding	int		NO	Number of targets that are yet to be completed.
TargetsLate	int		NO	Number of targets completed or still outstanding past their due date.
StudentAttribute1	varchar	225	NO	Student's Custom Attribute 1.
...	...	...	...	...
StudentAttribute6	varchar	225	NO	Student's Custom Attribute 6.

Export_TargetsDetailed

Export_TargetsDetailed: provides a record-by-record export of all targets set for students/staff, including completion and approval details.

Column Name	Data Type	Length	Required	Notes
NavigateUserID	uniqueidentifier		NO	Unique identifier for the student user in Navigate.
StudentNumber	varchar	225	NO	Unique student identifier (from tblUsers).
StudentActive	bit		NO	Indicates if the student is currently active.
TutorFirstName	varchar	225	NO	First name of the student's Primary Tutor.
TutorLastName	varchar	225	NO	Last name of the student's Primary Tutor.
TargetDueDate	date		NO	The date the target is due.
TargetName	varchar	255	NO	The title or name of the target.
TargetType	varchar	150	NO	The category or type of the target.
TargetStatus	varchar	50	NO	The current status of the target (e.g., Completed, Outstanding).
TargetOwnerFirstName	varchar	225	NO	First name of the staff member who owns the target.
TargetOwnerLastName	varchar	225	NO	Last name of the staff member who owns the target.
TargetCompletedDate	date		NO	The date the target was completed.
RequiresApproval	bit		NO	Indicates if the target requires staff approval to be marked as complete.
ApprovedDateTime	datetime		NO	Date and time the target was approved.
ApprovedByUserFirstName	varchar	225	NO	First name of the staff member who approved the target.

ApprovedByUserLastName	varchar	225	NO	Last name of the staff member who approved the target.
RejecetedDateTime	datetime		NO	Date and time the target was rejected (if applicable).
RejectedNotes	varchar	MAX	NO	Notes explaining why the target was rejected.
RejectedByUserFirstName	varchar	225	NO	First name of the staff member who rejected the target.
RejectedByUserLastName	varchar	225	NO	Last name of the staff member who rejected the target.
AssociatedActivities	int		NO	Number of activities linked to the target.
TotalActivityHours	decimal	(10,2)	NO	Total hours of activities linked to the target.
StudentAttribute1	varchar	225	NO	Student's Custom Attribute 1.
...	...	...	...	...
StudentAttribute6	varchar	225	NO	Student's Custom Attribute 6.
TargetID	uniqueidentifier		NO	Unique identifier for the target record.

Export_WorkPlacementEmployerFeedback

Export_WorkPlacementEmployerFeedback: contains the feedback provided by the employer following the completion of a work placement.

Column Name	Data Type	Length	Required	Notes
PlacementID	uniqueidentifier		NO	Unique identifier for the work placement.
StudentNumber	varchar	225	NO	Unique student identifier.
EmployerName	varchar	255	NO	Name of the employer.
EmployerContactFirstName	varchar	100	NO	First name of the employer contact.
EmployerContactLastName	varchar	100	NO	Last name of the employer contact.
CoordinatorFirstName	varchar	225	NO	First name of the placement coordinator.
CoordinatorLastName	varchar	225	NO	Last name of the placement coordinator.
TutorFirstName	varchar	225	NO	First name of the student's Tutor.
TutorLastName	varchar	225	NO	Last name of the student's Tutor.
PlacementStartDate	date		NO	The start date of the placement.
PlacementEndDate	date		NO	The end date of the placement.
FeedbackReceivedDate	date		NO	The date the feedback was submitted by the employer.
PunctualityAndTimeKeeping	int		NO	Employer rating for Punctuality and Time Keeping.
PunctualityAndTimeKeepingNotes	varchar	MAX	NO	Employer's notes on Punctuality and Time Keeping.
...	...	...	...	...

RecommendToOthers	bit		NO	Employer would recommend offering placements to other students.
RecommendToOthersNotes	varchar	MAX	NO	Employer's notes on recommending to others.

Export_WorkPlacementsAggregated

Export_WorkPlacementsAggregated: provides a summarised, aggregated view of a student's work placement history and hours.

Column Name	Data Type	Length	Required	Notes
NavigateUserID	uniqueidentifier		NO	Unique identifier for the student user in Navigate.
StudentNumber	varchar	225	NO	Unique student identifier.
StudentActive	bit		NO	Indicates if the student is currently active.
StudentPlacementStatus	varchar	50	NO	The student's overall placement status (e.g., Placed, Not Placed).
LatestPlacementStatus	varchar	150	NO	The status of the student's most recent placement.
TotalNumberOfPlacements	int		NO	Total number of placements recorded for the student.
TotalPlannedHours	decimal	(10,2)	NO	Sum of all planned hours across all placements.
TotalScheduledHours	decimal	(10,2)	NO	Sum of all scheduled hours across all placements.
TotalEmployerConfirmedHours	decimal	(10,2)	NO	Sum of all hours confirmed by employers.
TotalStudentLoggedHours	decimal	(10,2)	NO	Sum of all hours logged by the student.
TotalNumberOfJournalEntries	int		NO	Total number of journal entries related to placements.
TotalNumberOfPlacementsCompleted	int		NO	Total number of placements marked as complete.

CurrentYear_TotalNumberOfPlacements	int		NO	Total placements in the current academic year.
CurrentYear_EmployerConfirmedPlacementHoursTarget	decimal	(10,2)	NO	Target hours to be confirmed by employers for placements in the current academic year.
CurrentYear_StudentConfirmedPlacementHoursTarget	decimal	(10,2)	NO	Target hours to be confirmed by students for placements in the current academic year.
CurrentYear_TotalPlannedHours	decimal	(10,2)	NO	Sum of all planned hours across all placements.
CurrentYear_TotalScheduledHours	decimal	(10,2)	NO	Sum of all planned hours across all placements.
CurrentYear_TotalEmployerConfirmedHours	decimal	(10,2)	NO	Sum of all planned hours across all placements.
CurrentYear_TotalStudentLoggedHours	decimal	(10,2)	NO	Sum of all planned hours across all placements.
CurrentYear_TotalNumberOfJournalEntries	int		NO	Total number of journal entries related to placements.
CurrentYear_TotalNumberOfPlacementsCompleted	int		NO	Total completed placements in the current academic year.
StudentAttribute1	varchar	225	NO	Student's Custom Attribute 1.
...	...	...	...	...
StudentAttribute6	varchar	225	NO	Student's Custom Attribute 6.
ReasonForPlacementStatus	varchar	MAX	NO	Notes explaining the latest placement status.

Export_WorkPlacementsDaily

Export_WorkPlacementsDaily: details the scheduled and confirmed hours for each day of a student's work placement.

Column Name	Data Type	Length	Required	Notes
PlacementID	uniqueidentifier		NO	Unique identifier for the work placement.
NavigateUserID	uniqueidentifier		NO	Unique identifier for the student user.
StudentNumber	varchar	225	NO	Unique student identifier.
StudentActive	bit		NO	Indicates if the student is currently active.

PlacementStatus	varchar	150	NO	The current status of the placement.
TutorFirstName	varchar	225	NO	First name of the student's Tutor.
...	...	...	...	...
EmployerPostCode	varchar	20	NO	Employer's postcode.
PlacementType	varchar	150	NO	The type of placement.
LocationType	varchar	150	NO	Where the placement is taking place (e.g., In person, Virtual).
PlacementDayDate	date		NO	The date of the specific placement day.
PlacementDayStartTime	time		NO	The scheduled start time for the day.
PlacementDayEndTime	time		NO	The scheduled end time for the day.
PlacementDayScheduledHours	decimal	(10,2)	NO	Scheduled hours for this specific day.
PlacementDayStudentConfirmedHours	decimal	(10,2)	NO	Hours confirmed by the student for this day.
PlacementDayEmployerConfirmedHours	decimal	(10,2)	NO	Hours confirmed by the employer for this day.
DailyNonFundableBreakTime	decimal	(10,2)	NO	Non-fundable break time taken on this day.
DailyFundableTravelTime	decimal	(10,2)	NO	Fundable travel time for this day.
TotalPlannedHours	decimal	(10,2)	NO	Total planned hours for the overall placement.
TotalScheduledHours	decimal	(10,2)	NO	Total scheduled hours for the overall placement.
ScheduledHoursToDate	decimal	(10,2)	NO	Cumulative scheduled hours up to this date.
EmployerConfirmedHoursToDate	decimal	(10,2)	NO	Cumulative employer confirmed hours up to this date.
StudentConfirmedHoursToDate	decimal	(10,2)	NO	Cumulative student confirmed hours up to this date.
Completed	bit		NO	Indicates if the day is marked as completed (1 = Yes, 0 = No).
EmployerAttendanceConfirmation	bit		NO	Indicates if the employer has confirmed attendance for the day.
DateSignedOff	datetime		NO	Date the placement day was signed off.
SignedOffByFirstName	varchar	225	NO	First name of the person who signed off the placement day.
SignedOffByLastName	varchar	225	NO	Last name of the person who signed off the placement day.
StudentAttribute1	varchar	225	NO	Student's Custom Attribute 1.
...	...	...	...	...

StudentAttribute6	varchar	225	NO	Student's Custom Attribute 6.
-------------------	---------	-----	----	-------------------------------

Export_WorkPlacementsDetailed

Export_WorkPlacementsDetailed: provides a full, detailed record for each work placement, including all associated metadata, compliance checks, and review dates.

Column Name	Data Type	Length	Required	Notes
PlacementID	uniqueidentifier		NO	Unique identifier for the work placement.
NavigateUserID	uniqueidentifier		NO	Unique identifier for the student user.

StudentNumber	varchar	225	NO	Unique student identifier.
StudentActive	bit		NO	Indicates if the student is currently active.
TutorFirstName	varchar	225	NO	First name of the student's Tutor.
TutorLastName	varchar	225	NO	Last name of the student's Tutor.
CoordinatorFirstName	varchar	225	NO	First name of the placement coordinator.
CoordinatorLastName	varchar	225	NO	Last name of the placement coordinator.
EmployerInternalReference	varchar	50	NO	The employer's internal reference code.
EmployerID	uniqueidentifier		NO	Unique identifier for the employer.
EmployerName	varchar	255	NO	Name of the employer.
EmployerAddressLine1	varchar	255	NO	Employer's address line 1.
EmployerTown	varchar	100	NO	Employer's town.
EmployerPostCode	varchar	20	NO	Employer's postcode.
EmployerComplianceApprovalDate	date		NO	Date the employer compliance was approved.
EmployerCompliant	bit		NO	Indicates if the employer is marked as compliant.
EmployerContactTitle	varchar	50	NO	Title of the primary employer contact.
...	...	...	...	...
EmployerContactPhoneNumber	varchar	50	NO	Phone number of the primary employer contact.
PlacementStatus	varchar	150	NO	The current status of the placement.
PlacementType	varchar	150	NO	The type of placement.
LocationType	varchar	150	NO	Where the placement is taking place.
PlacementCreated	datetime		NO	Date the placement record was created.
InternalApprovalDate	date		NO	Date the placement was internally approved.
EmployerApprovalDate	date		NO	Date the placement was approved by the employer.
StartDate	date		NO	Scheduled start date of the placement.
EndDate	date		NO	Scheduled end date of the placement.
EmployerComplianceAnnexG	date		NO	Date Annex G of Employer Compliance was completed.
PlacementAgreementAnnexE	date		NO	Date Annex E of the Placement Agreement was completed.
InductionChecklist	date		NO	Date the Induction Checklist was completed.
InitialReview	date		NO	Date the Initial Review took place.

MidPointReview	date		NO	Date the Mid-Point Review took place.
FinalReviewAnnexHCompletionDeclaration	date		NO	Date the Final Review/Annex H Completion Declaration was completed.
DailyNonWorkingTime	decimal	(10,2)	NO	Total daily non-working/break time for the placement.
PlannedHours	decimal	(10,2)	NO	Total planned hours for the placement.
ScheduledHours	decimal	(10,2)	NO	Total scheduled hours for the placement.
ScheduledHoursToDate	decimal	(10,2)	NO	Cumulative scheduled hours up to the export date.
AuthorisedAbsenceHours	decimal	(10,2)	NO	Total authorised absence hours.
EmployerConfirmedHours	decimal	(10,2)	NO	Total hours confirmed by the employer.
StudentLoggedHours	decimal	(10,2)	NO	Total hours logged by the student.
StudentJournalEntries	int		NO	Total number of student journal entries.
Completed	bit		NO	Indicates if the placement is marked as fully completed.
DateSignedOff	datetime		NO	Date the placement was signed off.
SignedOffByFirstName	varchar	225	NO	First name of the person who signed off the placement.
SignedOffByLastName	varchar	225	NO	Last name of the person who signed off the placement.
EmployerFeedbackReceived	bit		NO	Indicates if employer feedback has been received.
StudentFeedbackRecieved	bit		NO	Indicates if student feedback has been received.
StudentAttribute1	varchar	225	NO	Student's Custom Attribute 1.
...	...	...	...	...
StudentAttribute6	varchar	225	NO	Student's Custom Attribute 6.

Export_WorkPlacementStudentFeedback

Export_WorkPlacementStudentFeedback: contains the feedback provided by the student following the completion of a work placement.

Column Name	Data Type	Length	Required	Notes
PlacementID	uniqueidentifier		NO	Unique identifier for the work placement.

StudentNumber	varchar	225	NO	Unique student identifier.
EmployerName	varchar	255	NO	Name of the employer.
EmployerContactFirstName	varchar	100	NO	First name of the employer contact.
EmployerContactLastName	varchar	100	NO	Last name of the employer contact.
CoordinatorFirstName	varchar	225	NO	First name of the placement coordinator.
CoordinatorLastName	varchar	225	NO	Last name of the placement coordinator.
TutorFirstName	varchar	225	NO	First name of the student's Tutor.
TutorLastName	varchar	225	NO	Last name of the student's Tutor.
PlacementStartDate	date		NO	The start date of the placement.
PlacementEndDate	date		NO	The end date of the placement.
FeedbackReceivedDate	date		NO	The date the feedback was submitted by the student.
PlacementExperience	int		NO	Student rating of the overall placement experience.
PlacementExperienceNotes	varchar	MAX	NO	Student's notes on the placement experience.
DevelopSkills	int		NO	Student rating of whether the placement helped develop skills.
DevelopSkillsNotes	varchar	MAX	NO	Student's notes on skills development.
SupportFromCollegeDuring	int		NO	Student rating of support from the college during the placement.
SupportFromCollegeDuringNotes	varchar	MAX	NO	Student's notes on college support during.
SupportFromCollegeBefore	int		NO	Student rating of support from the college before the placement.
SupportFromCollegeBeforeNotes	varchar	MAX	NO	Student's notes on college support before.
SupportFromEmployer	int		NO	Student rating of support from the employer.
SupportFromEmployerNotes	varchar	MAX	NO	Student's notes on employer support.
TrainingBefore	int		NO	Student rating of pre-placement training.
TrainingBeforeNotes	varchar	MAX	NO	Student's notes on pre-placement training.
PlacementTasks	int		NO	Student rating of the tasks performed.
PlacementTasksNotes	varchar	MAX	NO	Student's notes on placement tasks.
RecommendtoOthers	bit		NO	Student would recommend the placement to others.
RecommendtoOthersNotes	varchar	MAX	NO	Student's notes on recommending the placement.
